Re: United States v. Mustafa Goklu
Criminal Docket No. 19-386 (PKC)

Dear Judge Chen:

At the pre-trial conference in the above-captioned matter, scheduled earlier today, the government stated that it would alert the Court of any sections of audio recordings of interactions between an undercover Drug Enforcement Administration agent (the "Undercover Agent") and the defendant, marked as trial exhibits GX 801 through 804, 806, 807 and 809, that the government will seek to redact prior to the exhibits' admission into evidence at trial. The government writes to inform the Court that it has reconsidered its position and no longer seeks redactions to portions of the UC's conversations with the defendant in these exhibits.

Respectfully submitted,

BREON PEACE
United States Attorney
